

# Tru-Core® CORED WELDING WIRES

| Type | Product Name | Description   |
|------|--------------|---|
| 1    | FC 70T       | AWS A5.20: Carbon steel electrodes for flux-cored arc welding with gas shielding  |
|      | FC71T-12M    |   |
|      | FC71T-12C    |   |
|      | FC 71T       |   |
|      | FC 71T-AG    |   |
| 2    | FC 71T-CG    | AWS A5.18: Carbon steel composite metal cored electrodes for gas shielded arc welding.<br>AWS A5.28: Low alloy metal cored electrodes for gas shielded arc welding. |
|      | MC 110C-K4   |   |
|      | MC 70C       |   |
| 3    | MC 70C PLUS  | AWS A5.22: Stainless steel composite metal cored electrodes for gas shielded arc welding.   |
|      | MC 409 DC    |   |
|      | MC 409Ti     |   |
|      | MC 409Nb     |   |
|      | MC 439Ti     |   |
| 4    | MC 439Nb     | AWS A5.29: Low alloy steel electrodes for flux cored welding  |
|      | MC 430L-Nb   |   |
|      | FC 81T-Ni1   |   |
| 4    | FC 81T-Ni1M  |   |
|      | FC81T-Ni2    |   |
